December 31, 2016

Municipal Bond Women's Club of New York
200 Park Ave, 10th Floor
New York, NY 10166

Hello There!

The 2016 Holiday season was one for the Win record books! Thank you for contributing to the Municipal Bond Women's Club of New York's 20 wish letters. It made the holidays at Win full of cheer!

This year, your contribution helped make 2016 our biggest yet, with nearly 2,900 individualized letters filled. Additionally, Win received 90 drives, a 60% increase from 2015, which brought in 5,000 extra toys as well as pajamas, baby care supplies and warm winter items for the whole family. We were also able to celebrate our Win moms with 1,500 gifts just for them.

While our parents focus on finding work, permanent housing and building income, finding the time and resources to purchase holiday gifts can be a challenge. Your donation allowed them to focus on what is important, and still let their kids experience the joy of the holiday season.

Again, we cannot thank you enough for taking the time to put these holiday gifts together for our families. Knowing that the community has taken a moment to show them kindness helps our families feel empowered and ready to enter 2017 full of renewed confidence!

Sincerely,

Katie Tynes
Director, Volunteer Services

Please retain this letter as your receipt for IRS purposes and to substantiate that no goods or services were provided in exchange for your gift. As your gift is an in-kind donation, you should consult your accountant and complete Form 8283 if you intend to declare your gift for income tax purposes.
